PROFESSIONAL SUMMARY

I am a storyboard and animatic artist who enjoys visual storytelling, camera work, and creating scenes. I have experience with action, dialogue, and drama sequences through my own projects. I use Clip Studio Paint, Storyboarder, Blender, and DaVinci Resolve. I am looking for freelance work in storyboard, layout, animatic, and cinematic production.

WORK EXPERIENCE

Independent Storyboard / Animatic Artist

Independent / Personal Projects (Freelance), Remote • May 2026 – Present

Create storyboards and animatics for personal projects. Work on camera, composition, staging, action, dialogue, and visual storytelling. Use Storyboarder, Clip Studio Paint, Blender, and DaVinci Resolve.

Manga Artist / Creator

Independent Project (Freelance), Remote • Sep 2024 – Apr 2026

Created a 100-page manga project independently. Worked on story, characters, page composition, action scenes, and visual storytelling.
